The foregoing strip is not a recording error. It is an *end-of-run* strip of the 2/21st pound denomination. This strip was probably filed away in 1947, and finally used in 1949.

Legislation subsequent to the Budget of 1947 made the mandatory printing of the 4¢ - EXCISE / TAX surcharge unnecessary and **RP-1775** (the *unsurcharged* imperforate 2/21st pound "Series of 1942" strip) was introduced. The control number sequence continues without a pause since the controls had been *pre-printed* on the unsurcharged sheets in an initial operation.

The following copy of **RP-1754 E9466660** from December 1947 is an odd item. It has a partial hand-drawn red mimeograph 4¢ along with the "Rock City Tobacco" cancellation code 7412. See the letter from H.F. Hughes of Shaunavon, Sask., dated March 2nd, 1948 on the next page regarding the origin of the strip. Possibly "Rock City Tobacco" thought that the strips shipped by Ottawa had missed the surcharge, and thus inserted the mimeographed figure. Perhaps the Rock City brass was simply emphasizing the fact that they still had to pay the excise tax on tobacco, and thus couldn't cut their price. ***See the letter at the end of this section***.

On January 3rd 1955 a labour dispute resulted in a strike at BABN which lasted until January 14th 1955. During the strike, on January 13th 1955, since their supply of the 1/8th pound strip **RP-1785** was exhausted, it became necessary for the administrative staff to produce this overprint.

The supervisory staff overprinted unused ***control-numbered*** sheets of the imperforate 2/21st pound **RP-1775** in dark blue ink with a central 6 mm. Roman **1/8**, plus three 13 x 1½ mm. horizontally stacked dark blue *killer bars* at the ends as the BABN provisional overprint **RP-1788**. *The control numbering had been pre-applied in the 2/21st pound sequence.*

"There are some new tobacco stamps. The first lot is certain denominations of the current strip stamps surcharged **1/8** and issued early in January 1955. I cannot describe them, as I have not seen them as yet. These were used because a strike in the engraving company's plant made the supply of 1/8th pound stamps short. The life of these stamps was brief; the regular ones were available again late in the month."

"More about the surcharged tobacco stamps referred to last month, by courtesy of Mr. L. A. White of Customs and Excise, Ottawa: 'There were two varieties **1/8** on 2/21st pounds, and **1/8** on 1/9th pounds, both imperforate. The former was issued on January 13, 1955, and the latter on January 31, 1955. These were distributed to practically every manufacturer packing tobacco in this size, so they should not be too uncommon'."

--- Note: ***Apparently this was the end of the control sequence on the 2/21st pound "Series of 1942" strip*** **---**

The control numbers on the 2/21st pound strip have run through the introductory and lettered alphabetic sequences from **0000001** to **R9999999** (omitting the sequences **I** and **O**) and have continued from **0000001** to **H4068211** - so at this point the 2/21st pound total is 244,068,211 strips.

STAMPS FOR COLLECTORS

March 2nd 1948.

Dear Mr. Brewer,

Further to mine of 2-27-48, this tobacco just came in. As you know this 1942 series was printed at Ottawa...both the black and red. The red consisted of the serial number, weight and excise tax. After the war the excise tax was dropped from the printing but was still collected. The space where it went was left blank. Now you have here a cancellation...7412..... possibly a date code...and 4¢ (faint I admit but there and the best I could find). 4¢ is of course the amount of the excise tax for 2/21st of tobacco. I went down town when I received this and found a package with it on...and headed for the wholesalers. They did not have it and knew nothing about it. I went back to the restaurants and found there was no manufacturers name on the tobacco and was told a traveller had sold it to them as a new brand and that he carried the stock with him in his car. The 7412 looks like Rock City, Quebec but I do not know yet. So that is that. Maybe they will be scarce maybe not. And of course the story will out sooner or later. By the way I examined a hnndred or more packets and found they were all torn as this is and could find no better print. Fifty cents for it.

Sincerely, H.F.Hughes. H. F. Hughes

This letter was sent to me with the 2 pound tobacco tax stamp.
